The overall purpose of the NCYFL is the following:

- ☐ To ensure the game is for the youth and the atmosphere in which they participate is free from the trappings of adult emotions and issues.
- ☐ To provide any and every opportunity to children to play football for fun, regardless of race, religion, gender, economical standing, or any other basis not related to the safety of the participants.
- ☐ To teach sportsmanship, discipline, self-control, and the fundamentals of football, while encouraging competitive play.
- ☐ To provide an environment where participation is with youth of comparable age and weight with the focus on ensuring a level playing field is established and maintained for the majority of participants.

- Non-compliance with the policies, rules and regulations outlined in this handbook can result in a review of non-compliance by the NCYFL Board of Directors and a possible suspension of the guilty organizations participation in NCYFL events.
- ☒ It will be the responsibility of the individual League Representatives to ensure that each coach and field monitor is given the referenced documents discussed in this handbook

The following are policies that apply to the structure of the NCYFL and all organizations participating in activities sponsored by the NCYFL:

- 1.1 All youth, regardless of race, religion, sex, or color will be eligible to participate in any organization affiliated with the NCYFL as long as they meet and comply with all eligibility and player regulations and requirements.
- 1.2 All NCYFL organizations must be established and registered as a non-profit youth sports organization with the Washington Secretary of State.
- 1.3 All NCYFL organizations must maintain current Articles of Incorporation with the Washington Secretary of State.
- 1.4 All member organizations must have documented By-Laws, a Board of Directors, conduct board meetings and record minutes from each meeting as per organizational guidelines referenced in “Roberts Rules”, which is the accepted organizational standard in the NCYFL.
- 1.5 All organizations requesting to participate in the NCYFL must field a minimum of 2 teams of separate divisional assignments. The following organizations are not subject to this policy under a grandfather clause:
 1. Friday Harbor
 2. Darrington
 3. Concrete
 4. La Conner
 5. Lummi
- 1.6 All organizations voted into membership will automatically be considered NCYFL Directors and will have voting privileges at NCYFL Director Meetings.
- 1.7 Each organization will pay the NCYFL a \$50.00 league fee due no later than the first scheduled game. Failure to comply will result in teams being suspended from the league until all fees are paid in full.
- 1.8 Each organization will pay the NCYFL a \$100.00 fee for each football team committed to the NCYFL due no later than the first scheduled game. Failure to comply will result in teams being suspended from the league until all fees are paid in full.

1.9 Each organization will pay the NCYFL \$50.00 for each cheer team committed to the NCYFL due no later than the first scheduled game. Failure to comply will result in teams being suspended from the league until all fees are paid in full.

1.10 Each organization is required to provide a blanket insurance policy for ALL participating members in their organization (players, coaches, etc.) The NCYFL no longer offers insurance.

1.11 The following policies will be considered the current rules applying to the scheduling of organizations for games:

In principle, the NCYFL will operate game day structure under a hierarchy of controls under the following principles:

- NFHS guidelines will serve as the default mechanism of game structure.
- Whereas the WIAA stipulates gameplay in a manner that further emphasizes mechanism of game structure the NCYFL will default to the WIAA structure.
- Mechanisms of game structure that are outlined within the NCYFL Handbook will serve as the final means of which all games will be facilitated for NCYFL competition that are not captured within the NFHS or WIAA game structure.

1.11.1 An NCYFL Committee assigned by the NCYFL President will work with NWOA to draft a game-day schedule.

1.11.2 Teams MUST play all games as scheduled unless changes are mutually agreed to by both Organization Representatives/NCYFL Directors and approved by the league president.

1.11.3 Any changes MUST be approved three (3) days prior to the game. Every attempt MUST be made to notify anyone who may be impacted by any scheduled game change.

1.11.4 The NCYFL does not rank any division utilizing a point scored mechanism for any in season rankings or for playoff seeding given the mercy rule and sportsmanship expectations the NCYFL is founded on.

1.11.5 Playoffs in each division will be held for no less than the top half (50%) per division or as voted upon by the Executive Board / League representatives prior to the start of the season.

1.11.6 Playoff seeding will be based on final in season record, in the event of a tie in final standings head-to-head records will be the first determining factor for seeding. Strength of schedule based on like and kind opponents will be utilized as a secondary to playoff seeding.

1.11.7 Playoffs for each age division will be held in accordance with the division structure outlined in section 4.1.2 through 4.1.4 of the NCYFL handbook.

1.11.8 Each Division will be awarded a championship game in accordance with the division of play established in section 4.1.2 through 4.1.4 whereas competition has been conducted during the regular season.

1.11.9 If in the event seeding cannot be factored given 1.11.8 the NCYFL Executive Board will hold the final determining factor. Any Executive Board member that is part of an organization involved in the tie of seeding shall not have a determining vote.

1.11.10 Teams in each division that do not qualify for postseason play will be placed in a bowl game based on final record/strength of schedule.

1.11.11 Determining playoff locations:

- 1st round - Priority highest seed host or best available regional location.
- Semi-Final – Top seed priority/regional best available location, emphasis on field locations that will withstand traditional weather factors, able to place all regulation field markings, & must have a working scoreboard (preference of turf surface/covered fan seating).
- Finals – Voted upon by league representatives prior to start of season, taking into account the same points of emphasis as the semi-final locations.

1.11 In the event of a written complaint, grievance, or alleged violation of NCYFL Rules or Code of Conduct, the following procedure is hereby adopted:

1.11.1 Anyone who wishes to address the league regarding any alleged Rule violation or Breach of Code of Conduct, MUST do so via email no later than forty-eight (48) hours from the alleged incident.

1.11.2 A committee will convene which will be chaired by the NCYFL Vice President over the region they are assigned to, unless the issue is regarding their own league, at which time the at Large Vice President will supersede the process. The committee will be comprised of four (4) Organization Representatives chosen by the Vice President over the committee.

1.11.3 The committee will investigate the alleged allegations, hear testimonies by any means and review any evidence necessary to validate or not, the accusations.

1.11.4 The committee will have a seventy-two (72) hour time frame in which to come to a decision regarding the allegations unless uncontrollable circumstances force an extension.

1.11.5 The committee will rule and hand down any sanctions or penalties as it sees fit. Punishments, sanctions, suspensions, expulsions, probation, etc., will be decided by the committee. The actions open to the committee range from imposing probation to permanent expulsion from the NCYFL.

DIVISION, AGE, & WEIGHT STRUCTURE

4.1 Division structure will be determined on a year-by-year basis per NCYFL Board of Director vote with emphasis on the below parameters:

4.1.2 Divisions structure will be based on the organization's high school affiliation of the respective community and school district as reflected by WIAA classification by default.

4.1.3 Whereas if an organization encompasses multiple school districts or high schools the default division of play of that organization will be to the highest division of play. Any request to play outside of these parameters must be voted upon by the NCYFL Board of Directors.

4.1.4 Structure to emphasize classification of the WIAA, whereas 3A and above organizations (or as noted in 4.1.3) compete within one division, 2A and below organizations competing in a separate division.

4.2 If a player moves up an age division, he/she cannot move back down if they played in a game in the higher age division (scrimmages, jamborees or other pre-season games would not fall under this rule).

4.3 The participant's age as of June 1st of every year shall be the participant's league age in all divisions. At no time shall a senior division player be a Freshman (including homeschool).

4.4 During weigh-ins, all players will have eight lbs. (8) added to the weight maximum to account for the average weight for equipment. All players will be required to wear all equipment and hold helmets during weigh-in that includes the eight lb. average. If a player is over the maximum weight with the eight lbs. included, the player will be required to weigh in against the weight maximum without the eight lbs. while removing equipment until it is determined if the player is eligible within the established weight structure. Refer to the added weigh-in procedure sheet attached.

4.5 The weight waiver rule is defined as a player weighing above the established weight limit for all divisions. All divisions will be allowed to play an unlimited amount of weight waived players but cannot have more than 5 waived players on the field per rule 4.7.

4.6 Any player applying for a waiver will only be authorized to participate in Offensive and Defensive line positions from Tackle inward until he or she is at or below the divisional weight limit. Defensively, weight waived players must be on the line of scrimmage and cannot be lined up wider than the offensive tackles(heads-up / 4-technique) when the ball is snapped. If there are found to be more than five weight waived players on the field at the same time or a weight waived player is improperly positioned at the snap of the ball it is subject to a 5-yard illegal procedure penalty from the original line of scrimmage.

4.7 ALL players will be required to weigh in prior to the start of the first game of the season.
The following rules apply to weigh-ins:

- 4.7.1 The home organization's Field Monitor will conduct weigh-ins on a provided weight scale. An NCYFL Official will monitor all weigh-ins.
- 4.7.2 Players arriving late MUST be immediately directed to the Field Monitor and weighed.
- 4.7.3 Late arriving players can be weighed in at ANY time during the game and allowed to play.
- 4.7.4 If a player MUST remove clothing to attempt to make weight, he/she MUST at the very least wear gym shorts.
- 4.7.5 Players who cannot make weight will need to have their helmet marked to identify being a weight waiver or that player will not be able to play in the game.
- 4.7.6 After the first game, opposing coaches can choose to only weigh players near the maximum weight limit. Players already marked as weight waivers and players that are obviously well-below the weight limit are not required to be weighed but all players should be checked off the official roster.
- 4.7.7 Opposing coaches reserve the right to weigh any opposing player prior to their game including weighing the entire team if they choose to.
- 4.7.8 Athletes playing down to a lower division that meet a minimum requirement of less than 25% of the weight restriction of the division they will be playing in do not have to play as an "X" man. Notation on the official and game day roster will be required for all playdowns, whereas those athletes that meet the minimum 25% threshold are required to have an asterisk next to the play down notification on the roster to signify that the athlete is allowed to play outside of the tackles in a "skilled" position.

4.8 The following are specific age and weight specifications for each division.

DIVISION	AGE	WEIGHT
Pee Wee	6–8-year-old	110 lbs. maximum with unlimited Weight Waivers
Midgets	9–10-year-old	130 lbs. maximum with unlimited Weight Waivers
Junior	11–12-year-old	170 lbs. maximum with unlimited Weight Waivers
Seniors	13–14-year-old	No weight restrictions

4.9 Only five weight waiver players can be on the field at one time, however a team can have more than five weight waiver players on the roster.

4.10 A player may petition to be waived to play down 1 Division in the event his/her home league

is not able to field a team in their Natural Age Division. Approval process for all play-downs request will require an athlete playdown request form to be submitted, a majority vote by the NCYFL Board of Directors / League Reps and must adhere to the restrictions stated below.

4.11 Final approval/acknowledgement of the playdown request of any athlete will be signed off by the Vice President over the region of the organization requesting the playdown. *If NCYFL Regional Vice President is of the same organization requesting a playdown, Vice President at Large or alternatively assigned Vice President signed approval will be required. *

4.12 Play down requests must be submitted to the NCYFL Board of Directors / League Reps prior to the start of the season. Play down requests must be voted upon in person (or vote in proxy if a full vote is not viable due to restrictions outside the control of the NCYFL) and approved before final rosters are verified.

4.13 Players approved to play down shall not be more than 6 months older than the approved league age and must be marked and played as a weight waived player (tackle to tackle play only) unless 4.7.8 applies.

****If an athlete is allowed to play down to a lower division but is more than 6 months older than the approved league age of the respective division of play then 4.7.8 does not apply & all "X" man guidelines must be followed.****

4.14 Any athlete entering his/her 8th grade year will be required to play at the Senior level, except for the following conditions:

- Under the principle that 4.10 applies
- The athlete has a physical or mental limitation that affects his/her ability, whereas playing at the Senior division will be a hindrance to the athlete's personal health & wellbeing.

1. Make sure the scale is Zeroed out and balanced correctly.
2. Have the teams start heading to the weigh-in location no later than 3 minutes left in the 3rd quarter. Coaches are encouraged to complete weigh-ins as early as possible, so it does not interfere with pre-game warm-ups.
3. A coach from each team must be present for the weigh-in and any information exchanged by the coaches becomes official.
4. Set the scale to the required weight of Pounds plus Gear (8 lbs. per each division). (Must have on all gear / holding or wearing a helmet.)

Pee Wee: 118 lbs.

Midgets: 138 lbs.

Juniors: 178 lbs.

Seniors: Unweighted

5. Have the player step up fully onto the scale. If the scale does not move when the player steps on, they are okay to play. If the scale does move, have that player wait to the side until you have finished weighing in all the other players.
6. If you have a player that moved the scale at any of the above weights they can strip down to their gym shorts and weigh again. If they weigh in at the below weight for their division, they are clear to play.

Pee Wee: 110 lbs.

Midgets: 130 lbs.

Juniors: 170 lbs.

Seniors Unweighted

*** If the player weighs above the listed weight they can play using the Weight Waiver rule listed below.

4.16 WEIGHT WAIVER PLAYERS: (If they did not make the above weight)

1. If the player is a weight waiver player, the front & back of his helmet needs to be properly marked with an "X" using 1-inch-wide tape that is contrasting in color to the player's helmet. This will identify the player for coaches and officials.
2. There is no limit to the number of weight waiver players on a team but only 5 can play on the field at one time and are restricted as follows: (Refer to 4.7.8 for exclusion of the "X" man rule)

6.12a Failure to comply with the league policy that "all players MUST play a minimum of SIX (6) plays per game unless there is a disciplinary, safety reason, or injury reason" will be treated as unsportsmanlike conduct.

6.12b Head coaches are the responsible person for their respective team and shall ensure this process is complied with. All applicable actions outlined in Section 7 "Conduct Policies" regarding unsportsmanlike conduct shall be followed as appropriately deemed & reviewed by the NCYFL Board of Directors up to and including suspension or expulsion of a head coach.

6.13 Parents of players who are deemed to be "at risk" MUST be made aware of the situation regarding their child as soon as it is decided by that team's coaching staff that the player is "at risk" – NOT ON GAMEDAY!

6.14 Games will consist of four (4) 10-minute quarters for all divisions except Pee wee which will follow 6.26.

- 6.14.1 Once a score margin is equal to or greater than 32 points in the 2nd Half the game will proceed with a Running Clock and remain regardless of whether the point margin is closed.
- 6.15 The offensive team reserves the right to use their own ball.
- 6.16 Footwear will conform to High School Federation specifications and guidelines.
- 6.17 Mouthpieces are MANDATORY! The umbilical cord will not be removed and must remain attached to the face mask unless a specific and noted medical release is provided to the official.
- 6.18 During Midget and Pee Wee Division games, offensive teams are required to declare their intention to either run a play or punt/kick the ball on 4th down to the Head Official. The Head Official will ensure the opposing team is notified of the offensive team's intention.
- 6.19 During Midget and Pee Wee Division games, the following rules will be applied during extra point attempts and punts:
- 6.19.1 Defenses are not allowed to rush the opposing team or have player movement during punts or extra point attempts until the ball is away.
 - 6.19.2 The punter will not be allowed to move outside the tackles of the offensive line until the ball is away.
 - 6.19.3 Neither division utilizes kick off/return as part of game play.
 - 6.19.4 Midget division will start offensive possession at their 35-yard line.
- 6.20 Only one coach will be allowed on the field, inside the numbers, during any time out.
- 6.21 All game fields must be regulation size with clearly marked boundaries.
- 6.22 If only one (1) goal post is present, teams may move to it for kicking.
- 6.23 Extra points will be managed in three formats in accordance within the respected age divisions in efforts to emphasize skill sets for each division.
- A) The Pee Wee Division point after conversion is explained in Additional Pee Wee Rules. (6.25.3)
 - B) The Midget & Junior divisions may be either kicked when goal posts are present, run or passed in. A successful kicked conversion attempt is worth two (2) points. A run/pass conversion is worth one (1) point.
 - C) The Senior Division will utilize standard NFHS Rules regarding point after conversions.

6.24 If a game is tied at the end of regulation play, there will be overtime. • The team designated to kick off the second half will be the team allowed to call the coin flip to start OT.

- The winner of the coin flip will choose offense/defense OR which end of the field to play the tiebreaker. The loser of the coin flip will choose the other option.
- The offense will have 4 downs (barring any penalties that will gain an automatic first down) from the 10-yard line.
- If the offense scores, an extra point will be attempted as outlined in section 6.23.
- If the offense does not score, or there is a turnover, the ball will be given to the defense at the 10-yard line.
- At the end of the first session, the team with the most points is declared the winner.
- If there is a tie after the first session, a new session or overtime will be played until there is a winner.
- One timeout per team per session.
- Two minutes in-between sessions.

****This will continue until there is a winner, there is no "tie" in this league.****

6.25 The Pee Wee Division will comply with the Midget Division rules with the following exceptions:

Timing:

1. Each game is made up of four, 12-minute quarters with a running clock. The clock will stop on all whistles; the last 2 minutes of each half will be a regulation Clock. a. The clock will be stopped after a score (the point after attempt (PAT) is an untimed down) and to allow players to switch sides of the field and offense to defense. b. Once the ball is placed at the 40-yard line, the starting of the clock is at the snap from the 40 of the first play from scrimmage.
2. Halftime is 5 minutes

General Rules:

1. Because of all the players, all positions, all skills philosophy, there are no

restrictions on jersey numbers or player positions.

2. All games start at the 40- yard line, this includes the start of each half and upon reset post score. *There are no kick offs at the Pee Wee division.
3. After each play, the ball is spotted in the middle of the field. Hash marks are not used.
4. All personal foul penalties include an immediate substitution from the field for a minimum of one play to allow coaches to address misconduct and promote good sportsmanship. We call this a cooling off period.

Field Set Up:

A) Cones or markers are set at the numbers on each side which is 9 yards off the sideline. The width of the rookie tackle field is 35 1/3 yards wide. All Players and Coaches and down marker holders should remain on the sideline as if we were playing the entire field width. This keeps them off the field. This level still allows a coach on the field to help set up the plays. It needs to be stressed that once the players are set and the Offensive team is getting ready to run the play the coaches on the field need to stop coaching or in essence being the team's 12th player.

6.25.1 Prior to the snap of the ball, must have 5 defensive players on the line of scrimmage. All other defensive positions must be at least 3 yards off the line of scrimmage at the time of the offensive snap of the ball unless the line of scrimmage is at the 5-yard line or closer to the defensive unit's end zone. Once the ball is snapped, play is the same as all other divisions unless otherwise stated elsewhere in this handbook.

6.25.2 One coach will be allowed on the field. Coaches will position themselves so not to interrupt the flow of the game.

6.25.3 Extra points may be either kicked when goal posts are present, run or passed. A successful kicked conversion is worth two (2) points. A run or pass conversion is worth one (1) point from the three (3) yard line or two (2) points if converted from the 5-yard line.

6.25.4 Coaches must maintain a 15-yard distance from both the offensive and defensive unit and be outside the hash marks after their formation has been set.

6.25.5 At no time will it be permitted for a defensive player to be lined up directly over the center. Defensive players may line up within the gap. (Updated 8/12/23 due to accidental removal during update of 2023 Handbook revision)

6.26 The following rules apply to the MercyRule:

6.26.1 There is no mercy rule for the Junior and Senior Division. Sportsmanship guidelines still apply.

6.26.2a During Midget and Pee Wee games, at the point the margin of difference in score reaches 24 points or more, the losing team will have the following options directly after any score that led to the 24+ margin:

6.26.2b Starting position from your 40-yard line.

6.26.2c Declining the Mercy Rule and play game with normal rules.

6.26.3 Once the losing team chooses an option and play begins, normal playing rules will immediately be in effect.

6.26.4 If the losing team is unsuccessful in the offensive series, a change of possession will occur as it would in normal play.

6.26.5 At no time will the losing team be awarded consecutive possessions.

6.26.6 When or if the winning team does score on the next or subsequent series', the losing team will again be given the options outlined above.

6.26.7 The Mercy Rule will not be applied during NCYFL playoff and championship games.

6.27 Senior division by default will follow all applicable NFHS/WIAA rules of play. All rules stated for lower divisions do not apply to the Senior division. It will be up to the individual organization to ensure that all coaches at the Senior division within their respected organizations understand the rules as applied under NFHS/WIAA guidelines.

6.28 In the event of a Game Protest, the following procedure is hereby adopted:

- The coach initiating the protest MUST notify his representative within 72 hours of the alleged infraction.
- The Field Monitor will be notified of the protest if initiated during the game.
- The organizational representative will notify the NCYFL President within twenty (24) hours and in writing within seventy-two (72) hours from the date of the protest.
- The league will collect a deposit fee of \$250.00 and an investigation of the protest circumstances will ensue upon payment.
- A committee will convene consisting of the NCYFL President and four (4) Organization Representatives chosen by the NCYFL Vice President over the region the game was held. In the event the Vice President of the region is a part of the league that has had the complaint filed the Vice President at Large will oversee the proceedings.
- The facts surrounding the protest will be investigated and before the next NCYFL scheduled game take place, a decision and ruling will be handed down.
- If the protest is found to be valid, the \$250.00 fee will be refunded, and all efforts will be made to ensure any action stemming from a protest is taken prior to the game played after the protest was made will take effect
- If the protest is found to be not valid, the \$250.00 + expenses will not be refunded.

Note: If the decision of the committee is to replay the game, the game will be played at a

site with officials. Any team choosing not to participate in the game will automatically hold up or disregard the protest, however applicable.

CONDUCT POLICIES

7.1 Each coach must ensure their conduct meets the following general guidelines:

- 7.1.1 Coaches will always be fair, firm, and consistent.
- 7.1.2 Coaches will promote a positive attitude and lead by example.
- 7.1.3 Coaches will follow the rules of the sport, NCYFL rules and teach the fundamentals of football at a level and a pace that incurs the best possible environment for learning.
- 7.1.4 Coaches will not argue with parents or officials and will always demonstrate good sportsmanship.
- 7.1.5 Coaches will not use profanity at any time.
- 7.1.6 Coaches will not use any illicit drugs, alcohol or tobacco at any time while undertaking their coaching duties.
- 7.1.7 Coaches will listen to their player's concerns and try to help them any way they can.
- 7.1.8 Coaches will do the best they can to ensure each athlete is both physically and mentally ready for whatever task is asked of them.
- 7.1.9 Coaches will strictly adhere to the policies and procedures of the NCYFL and set a proper example with their actions for everyone to follow.
- 7.1.10 Coaches will stress teamwork and respect for every athlete.
- 7.1.11 Coaches will not allow anyone who has not completed a WSP background investigation (minimum requirement as stated in 2.15) form with their organization to come within 10 (ten) feet of any minor.
- 7.1.12 Coaches will allow each athlete the opportunity to compete and excel.
- 7.1.13 Coaches will use their best judgment when using social media such as Facebook, Twitter, or email and refrain from anything that violates any rules as noted above.

7.2 Any report of coaches failing to follow these guidelines or act in a manner conflicting with the positive philosophy of the NCYFL may be suspended or expelled upon a review of the facts by the NCYFL Board of Directors.

7.3 Intentional running up of scores may result in Board of Director review, league suspensions and league-imposed sanctions against the offending NCYFL organization. The following examples of play will be considered unsportsmanlike conduct by the winning team when a point margin of 32 points or greater exists:

- 7.3.1 A known offensive starter on the winning team remains in their normal position or another skill position (skill positions are defined as any position with the ability to score points).
- 7.3.2 A known defensive starter on the winning team remains in their normal position or

another skill position that greatly impact the losing team's ability to successfully accomplish an offensive play.

7.3.3 The winning team attempts to pass while any starter is still set in a skill position.

7.3.4 The winning team attempts any type of deception or trick play (*i.e.*, reverse, flee flicker, double pass, fake punt, onside kick-off, etc.)

31

Last Revised- June 2022

7.4 Any team winning by more than 32 points will be viewed negatively and in violation of this policy. The winning team's Head Coach will within 48 hours supply the NCYFL a written statement outlining all steps taken to not run the score up higher than a margin of 32 points. The NCYFL strongly recommends the following actions be taken by teams winning by a point margin of 32 points or greater to ensure fair play.

7.4.1 Do not attempt to block or return punts.

7.4.2 Down kick offs.

7.4.3 Cease defensive blitzing calls.

7.4.4 Cease spread, passing or stretch plays (subjective to losing teams compliance with playing a standard defense).

7.4.5 The losing team should play a standard defense to match the offensive formation while the winning team is running offensive plays with substitute players under the sportsmanship guidelines. If the defense plays a non-standard alignment based on the offensive formation (like not covering wide receivers, bringing 9 or more in the box, or blitzing every play) then the offense is able to run any play they want.

7.4.6 If the winning team has pulled their starting offensive players and is clearly playing under the sportsmanship guidelines it is highly recommended that the losing team also puts their substitute players in the game on defense. If the losing team keeps their starting defense on the field after the sportsmanship guidelines have been applied the winning team may reinstall offensive starters for safety reasons.

7.4.7 Once the 32-point margin has been reached this is a great opportunity for **both teams** to get their substitute players in the game.

7.5 Coach or player ejections are at the sole discretion of the Game Officials. Spectator ejections are at the sole discretion of the Field Monitor with input from Game Officials as required. If ejected, any player, coach or spectator will be automatically suspended for the next game. Any coach ejection can, depending on the severity of the situation, can incur a personal fine up to \$250.00.

7.6 Any action by coach/player/member (any person at an event in support of an organization) of any league that consistently (more than twice) requires demarcation within a weekly site report will be subject to investigation. Pending investigation by the Vice President

32

Last Revised: June 2023

over the region, fines can be levied against the coach (head or assistant) and or organization up to \$500.00 depending on the severity of the situation.

7.7 An investigation of all coach ejections will be performed by a committee as per NCYFL Rule. Any ejection found to be the fault of the coach will automatically result in a 3-game suspension. To be reinstated, the offending coach will be required to submit in writing a request to be reinstated to the NCYFL VP in charge of the investigation.

7.8 If a coach is ejected from two (2) games during a season, that individual will be suspended from the league for the remainder of the season and their organization & coach can, depending on the situation, incur up to a \$500.00 fine. Reinstatement requests to the league will also be required in writing to the NCYFL VP in charge of the investigation.

7.9 In the event of any suspension or expulsion in which an organization wishes to review or challenge the suspension or expulsion as outlined within the NCYFL Handbook they may do so by submitting a formal request in writing to the NCYFL VP of their region & issuing a \$100.00 check to the NCYFL.

7.9.1 In the event the appeal to the suspension or expulsion results in a reversal of the decision, the retainer fee of \$100.00 will be returned to the requesting organization.

7.10 Any action by coach/player/member (any person at an event in support of an organization) of any league that consistently (more than twice) requires demarcation within a weekly site report will be subject to investigation. Pending investigation by the Vice President over the region, fines can be levied against the coach (head or assistant) and or organization up to \$500.00 depending on the severity of the situation.

7.11 Any acts of violence against an official will result in that organization related to the offending party losing all home games immediately, as well as facing additional league-imposed penalties/sanctions.

7.12 All league coaches, officers and representatives are prohibited from addressing officials outside the field of play at any time. Any report of misconduct of this nature will result in an automatic 1 game suspension for the coach, officer or representative if allegations are found to be true.

7.13 Violent conduct towards a player (i.e., pulling on the facemask or handling a player in an overaggressive fashion) is strictly prohibited by the NCYFL. Verbal abuse towards a player is strictly prohibited by the NCYFL.

7.14 Scouting of opposing team **PRACTICES** is strictly prohibited by the NCYFL.

7.15 The use of alcohol, illegal drugs or tobacco products during practice or games is strictly prohibited during any NCYFL sponsored activity.

7.16 All coaches and officials will make every attempt to form a positive relationship and provide a proper example to the players and parents of the NCYFL regarding conduct before, during

and after any game.

7.17 Each League Officer and Representative must ensure their conduct meets the following general guidelines:

7.17.1 Will always be fair, firm, and consistent.

7.17.2 Will promote a positive attitude and set a proper example with their actions for everyone to follow.

7.17.3 Will always follow the rules of the sport.

7.17.4 Will not argue with parents or officials and will always demonstrate good sportsmanship.

7.17.5 Will strictly adhere to the policies and procedures of the NCYFL and their organization.

7.17.6 Will not allow anyone who has not at minimum filed a WSP background investigation form with their organization to come within 10 (ten) feet of any minor. (As referenced in 2.15)

7.18 Any report of League Officers and Representatives failing to follow these guidelines or act in a manner conflicting with the positive philosophy of the NCYFL may be suspended or expelled upon a review of the facts by the NCYFL Board of Directors.
